Concert Guidelines

Please help the orchestra present the best concert possible by observing the following guidelines:

The Texas Essential Knowledge and Skills for instrumental music requires that the curriculum include instruction in appropriate audience behavior during live performances. Audience etiquette is based upon respect for the performers and for others in the audience and is a general expression of courtesy. Unfortunately, young people are seldom exposed to formal concert situations and are often not aware of these standards of behavior. By following these guidelines you can set a positive example for our students and will make the concert more enjoyable for all.

- ♪ Avoid entering or leaving the room during a performance. If absolutely necessary to do so, move only between selections.
- ♪ Talking should be avoided during a performance.
- ♪ Pagers, cellular phones, and alarms should be set on silent.
- ♪ Unhappy children should be taken outside the performance area immediately.

Cameras: Please be discreet with photography during the concert. Video cameras should be in the back without obstructing the view of the audience. No flash photography.

Recording of this performance (audio or video) is allowed for archival use only. The unauthorized reproduction, distribution and/or sale of such recordings is a violation of copyright law and student privacy. We thank you for your cooperation.
