

ORCHESTRA PRIVATE LESSONS PROGRAM

PARENT PERMISSION FORM

Private lessons are a convenient opportunity for students who wish to progress more quickly and further than possible in class. I urge all to enroll in private lessons, either with teachers at KMS, or elsewhere. I consistently find that those students who excel on a string instrument take private lessons and practice regularly.

Our teachers this year are: **Jonathan Fisher** (cello, bass), **Joplin Lu** (violin, viola), **Kaye Chang** (cello), and **Hanjun Lee** (violin).

We schedule once-weekly lessons as these forms are received on a first come, first served basis. Lessons times are before school, during class, and after school, based on availability of both the teacher and the student. The private lesson fee is \$20 per half-hour lesson. **You pay the lesson teacher directly.** Private teachers are background-checked and interviewed by LISD, after I recommend them for our program.

-
- **I give my permission for my student to participate in private music lessons.**
 - **I understand that the instructor delivering the lessons will charge a fee of \$20 for each lesson and that payments are due as billed by the private lesson instructor.**
